## ROSSO

*indicazione geografica protetta*

**Grapes:** A blend of mainly Nero d'Avola with a proportion of Merlot and Syrah.

**Vineyard area:** The grapes are grown on the Trapani hills, using the traditional Spalliera system.

**Harvest:** early October.

**Vinification:** the grapes are destemmed and gently pressed. Fermentation takes place at controlled temperatures not exceeding 28°C with frequent pumping over in the early stages in order to ensure optimum colour extraction and soft tannins. After fermentation, the wine is racked and the malolactic fermentation takes place.

**Tasting notes:** Sicily's number one red grape variety, Nero d'Avola is indigenous to the island. Our Fedele has a wonderful structure, yet has soft tannins and is very approachable. Packed with red berry fruit flavours, it is ideal with red meat and tomato based pasta sauces.
